

Vision for Justice

God of all good things,
Give us a vision for justice

We ask that our minds be open,
our hearts be generous, and
our deeds be genuine
in reaching out to those
who are poor.

Awaken us to our responsibility
to do something about
harmful economic and
political situations.

Strengthen us so that we might help those
who are denied their human rights
and freedoms.

Provide us the courage and imagination
to be the voice crying out for justice
for the poor and the oppressed.

Amen
